

★ LEDRE DESIGNS – WARRANTY CERTIFICATE ★

10-Year Craftsmanship Warranty

Every Ledré piece is handcrafted in Bern with precision, patience and artistic discipline.

This ten (10) year warranty protects your piece against craftsmanship and structural defects under normal conditions.

It reflects our philosophy: **quality must endure.**

If a covered defect appears, Ledré will repair or replace the piece at no cost, excluding shipping when applicable.

Covered by the 10-Year Warranty

Stitching failures or defects

Hardware defects including buckles, metal components and closures

Structural failures in leather, wood or bonded materials under normal use

Adhesive or bonding failures not caused by external force

Not Covered:

Damage caused by accidents, tearing, crushing or impact

Water, humidity, chemical exposure, heat or fire

Natural wear such as scratches, patina, fading or shaping

Damage due to misuse, neglect, improper storage or third-party repairs.

Lifetime Artist Integrity Warranty

Select signature and limited-edition Ledré artworks include a lifetime warranty designed to preserve the artistic integrity of the piece.

A true work of craftsmanship must endure beyond time — and this warranty reflects that principle.

This warranty applies exclusively to elements created through direct artisan workmanship.

Covered under the Lifetime Warranty:

Structural integrity of the artwork
Bonding between leather, wood, Nuo-wood or mixed materials
Hardware reliability installed by Ledré.

Not Covered by the Lifetime Warranty:

This protection does not include **accidental damage, incorrect handling, environmental exposure, fading, shaping, patina, or natural aging.**
It guarantees only that the core craftsmanship will not fail under normal conditions.

Ledré Atelier – Professional Restoration

For all non-warranty damage,
the Ledré Atelier offers comprehensive restoration services.
Each restoration is performed using the same skills, methods and materials used
in your piece's original creation.

Available Services:

Leather resurfacing and reconditioning
Stitching repairs and reinforcement
Hardware replacement and refinishing
Wood refinishing and structural repairs
Complete rejuvenation treatments
